To Whom It May Concern:

I am the assembly coordinator for Laguna Blanca's Upper School for students in grades 9-12. I'm writing to recommend Nancy Seagal as a terrific assembly speaker. I must admit that I had some reservations about bringing a hypnotist to school and having students on stage actually be hypnotized by Nancy while the rest of the high school students watched, but I'm delighted to share that the assembly was so much fun. Everything went very well. In fact, a few of the hypnotized students shared with me how great they felt after being hypnotized! Students who missed the assembly asked me to see if I could rebook Nancy.

Nancy provided each volunteer with a copy of her book, "Rising Above It: 25 Solid Strategies to Prosper in Adversity", and her CD called "Accelerated Test Performance."

Another thing that I appreciate about Nancy's program is her focus on helping students to use hypnosis to achieve their greatest potential, to overcome anxiety, and to accelerate their test performance.

So, if you're looking for a fun and enriching assembly, don't hesitate to contact Nancy Seagal.

Respectfully,
